

**TOPIC: Uniform Federal Accessibility Standards (UFAS)**

**ISSUE:**

- Determine responsibilities for funding UFAS accessibility upgrades to buildings in which EDS will install NMCI infrastructure.

**DECISION:**

- The Government will provide appropriate facilities improvements necessary for compliance with Uniform Federal Accessibility Standards if the facility is to be used jointly by the Government and EDS, excluding equipment closets.
- Compliance with Uniform Federal Accessibility Standards within spaces used solely by EDS shall be the responsibility of the EDS.
